## **DETAILED ACTION AND EXAMINER COMMENT**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 5/5/05 has been entered.

## **REASONS FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance: the claims for the surgical stapler, which as amended in the Examiner Amendment mailed 3/8/05 included the limitation "each support plate including ends having a pair of springs longitudinally coupled with both sides of a frame recess formed in the articulation mechanism" is distinguished over the prior art submitted in the Information Disclosure Statement filed 5/5/05 in that none of the supplied references or the prior art disclose the use of "each support plate including ends having a pair of springs longitudinally coupled with both sides of a frame recess formed in the articulation mechanism".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 3721

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
